★ The New Ranma Project ★

Most of this book was finished early in The Project. The entire heart of the book was done almost first thing by AnimeBill, who did so well in the first half of the Project, and is obviously a big Hinako fan. ^^

The whole book is basically sandwiched between two huge stories, with Herb Saga at one end, and Shinnosuke at the other.

Incidentily, this is the first book done so far that we had the original Japanese import book to work from, as opposed to the somewhat crappier Kanji versions.

Go home while blowing this hom.
It's a protection against the monsters.
Your wound's... ...already OK?
I'm fine, so go home quickly!
I'll return this to you for sure.
Good-bye!
I'll see you again...

Katsudon: Noodles in broth topped with deep-fried pork chops.

Sorry, but I'm full.
Even though I went to the trouble to make it normally...
Geez--
Fine, because I'll eat it by myself.
Our camera then succeeded in catching a glimpse of a mysterious huge animal.
This is that momentary image.

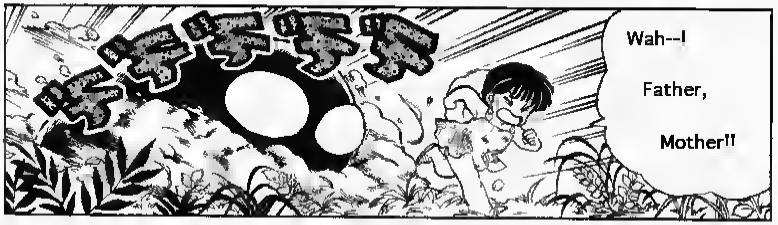
The legendary monster of the Higo forest of Ryugenzawa...
...Really existed!
Ryugenzawa...
Higo forest?

We're home.
Again? Akane, this kind of boring program...
Big sister.

Ryugenzawa?
Akane, you've got a good memory.

We went there on a family trip when you were small.
To the Ryugenzawa Health Center.
Ah--

I wish we hadn't gone then-
Akane got lost...
Yes, yes, getting lost in the forest, there was a big uproar, certainly.
Some-how...
Now that I'm told...



Wah--!
Father,
Mother!!

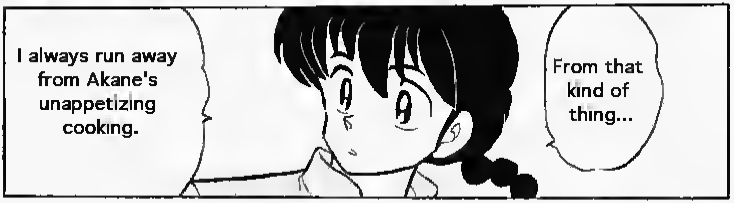
That... Wasn't a dream...
Rrring!

Yes, Tendo Family.
Yes, this is the Tendo Dojo.
Monster Removal?
Ohh, more trouble...
Ryugen-zawa?
Hey, Akane.
Did you make dinner? I went out, and didn't know at all.
Y-Yes, understood.
Well...
Ah-
Found it, found it.

Whistle ...
Yes, this... Somebody gave it to me
Saying it was protection...
Father, it's an emergency !!
Akane left home?!
L-Left a letter?!
I'm going to Ryugenzawa. Don't worry!

A-Akane, why...?
Doesn't something occur to you, Ranma?
Why me...?

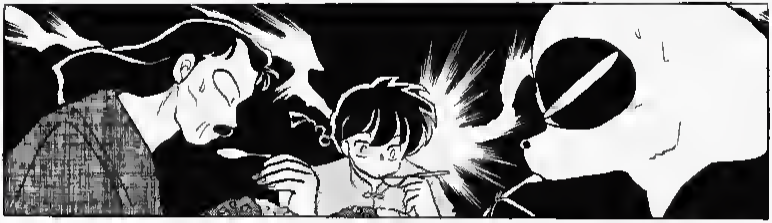
If it's the last night's curry incident...
Im-poss-ible.



I always run away from Akane's unappetizing cooking.
From that kind of thing...

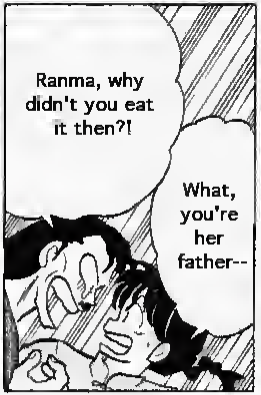
E-Every-one...
This...

A-Akane's curry...



I-it's normal!
She made it normally!

ちーん



Ranma, why didn't you eat it then?!
What, you're her father--

Didn't she try hard for Ranma's sake?

You'll go and get her and bring her home, won't you, Ranma?
It's stupid.
Leaving home because of a thing like this.
RA--
N--
MA--
!!
Yeah, I'm going!
Monster removal is a martial artist's duty.
I can report to Father after I go home.

Somehow, terribly important...
Besides... What could it be?
I feel as though there's a terribly important memory...
The monsters come down along the swamp and come out in this Higo forest.
Take care--
This place ...

Yes...
That time...
I got lost here...
Father--!
Eeeeek!!
To ward off monsters...
Protection...
Your wound's...
Already OK?
I'm fine, so go home quickly.
That's right.
A Boy...
A boy saved me...
Gave me this whistle...

!
Ah...

Go home.

Reawakened Memories

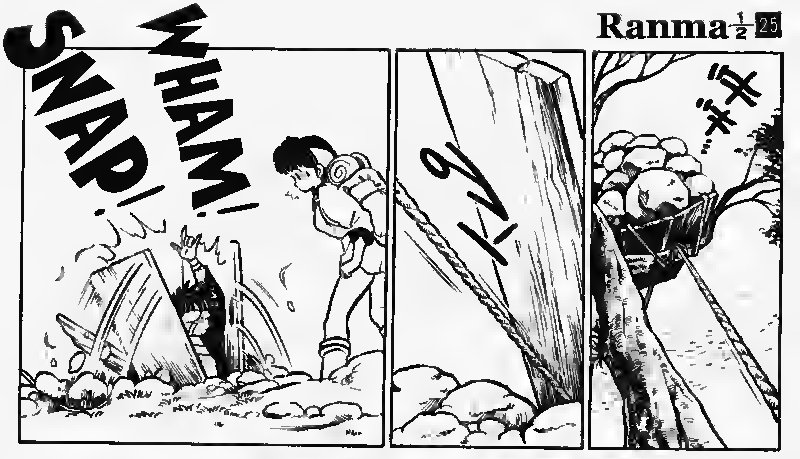
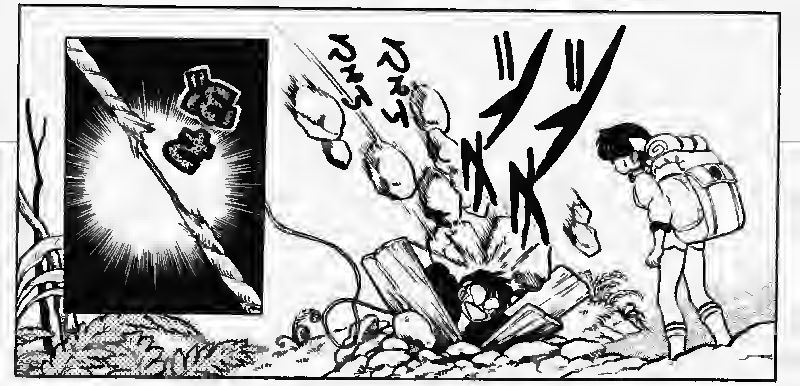
Y-You...
From here now, it's full of traps I've laid out for the monsters.
Go home quickly.
But..
The local people asked me to help remove the monsters...
I'm not going to say it again.
Go home.



WHAM!
SNAP!



If this person...
He saved me that time....

Wahh--!
Help--!
OH!

!
It's OK already!!

Thank you.
Are your wounds OK?
Go home quickly.
From here, it's full of traps.
あっ…
I'll take you home, where's your house?
Found it...
That boy's house...

Sign: Ryugenzawa Youth Group Hotel
She went there to remove monsters?
Yeah, if Akane's that girl...
She said she was a represent-ative of the Tendo Dojo...
Geez, what was she thinking of?
Hm?

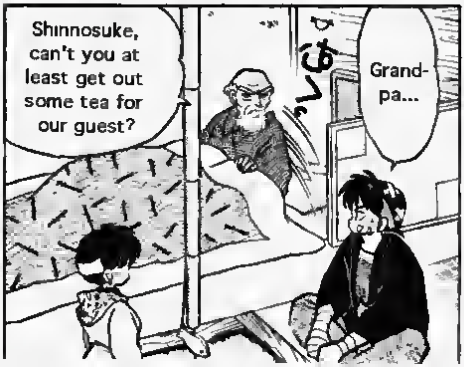
DEH
?!
Wha?
A flying squi-rrel?

D-Duckbill platypus...
So many huge, weird creatures...
What in the world is this forest...?

You live alone with your grandfather in the middle of this kind of forest...?
My grandfather doesn't have much time left either.

I'm grateful that you brought me home, but...
Go home already.
This is no place for weak girls to be in.

What in the world are those monsters?
And why are you in a place like this...?



Shinnosuke, can't you at least get out some tea for our guest?
Grand-pa...

The tea stuff are on the second shelf from the top, and the hot drinking water is over there.
Second from the top, right?!

The day's already gone.
You can stay here tonight, but please go home early tomorrow.
But ...

Miss, The monsters in this forest aren't the ones an amateur can beat in a day or two.

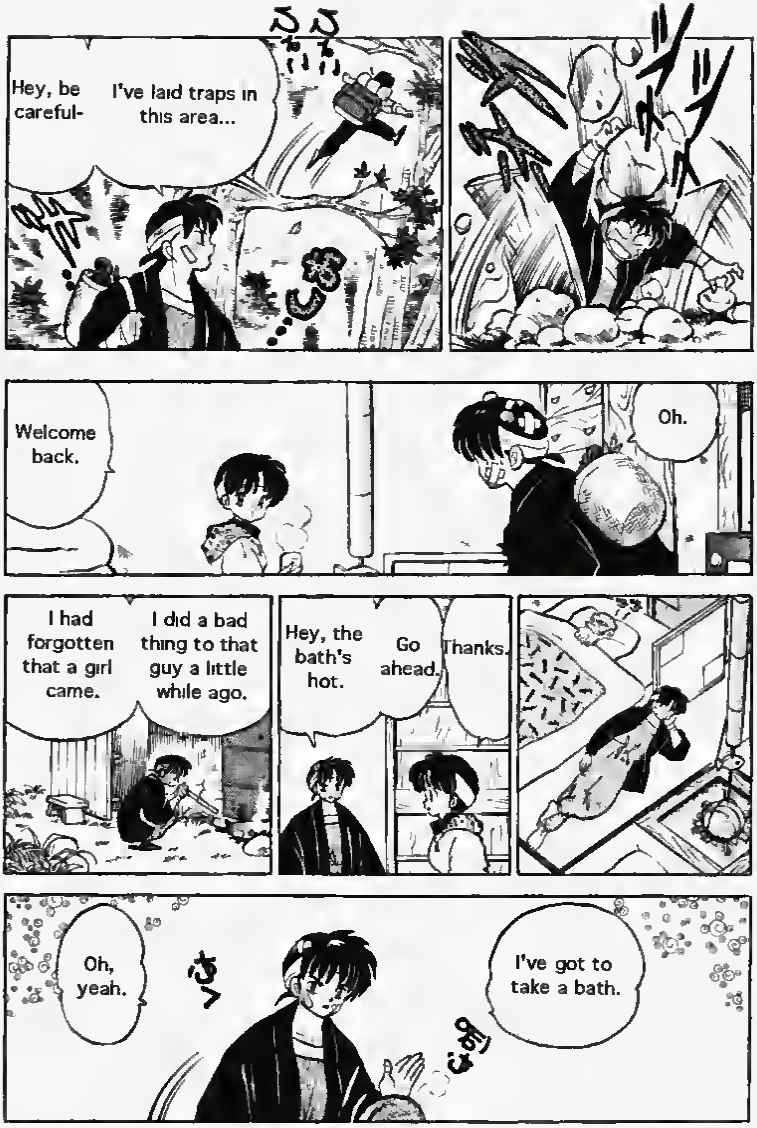
.....

Since long ago,
I... I've been crossing swords with rascals from the time Shinnosuke was born.
We're the guardians of this forest... It's our duty...
Guard-ians ...?

Here, since the time he was born...
Then, Shinnosuke, during that time, after all...

Go home while blowing this horn.
It's a ward against the monsters.
Your wound... Is it all right?
I'm fine- go home quickly.
Shinnosuke, catch something for dinner.
Sure.
Um... Shinnosuke
What?
Do you remember this?
When I was a child...
You gave me this...
...!?

You must've mistaken me for someone else.
I don't know.
Eh...?
AKANE!
Where are you?!
Wait a minute...
A girl?
She must've come into this forest.
I don't know.
Oh, OK. Sorry.



Hey, be careful-
I've laid traps in this area...
Welcome back.
Oh.
I had forgotten that a girl came.
I did a bad thing to that guy a little while ago.
Hey, the bath's hot.
Go ahead.
Thanks.
Oh, yeah.
I've got to take a bath.

Mistake him for someone else...? But...
His face wasn't lying...
Then, the boy who saved me a long time ago...
S..
Sorry!

I forgot you were in there!
Sorry!
Ah...
That wounds on his back...
It can't be!
Shinnosuke was that boy!
Shinnosuke, why are you so forgetful?
Even though you go through the trouble of setting traps for the monsters, you set them all off yourself...
Damn!
Akane, where are you?!
